6. Intellectual Property Rights. As of the date of Licensor's deliver of the Software, Licensor warrants that **(a)** it is the lawful owner or licensee of the Software and Documentation and has all rights and consents necessary to perform under this Agreement, including the right to grant the license to use the Software; and **(b)** it has no actual or constructive knowledge that a claim, suit, or action has been asserted against Licensor alleging that the Software misappropriates, infringes, or otherwise violates any third party intellectual property rights or privacy rights. If Licensor breaches this warranty, then Licensor will indemnify Licensee in accordance with Section 11 below.

Licensee acknowledges and agrees that the Software and Documentation are provided under license, and not sold, to Licensee. Licensee does not acquire any ownership interest in the Software or Documentation under this Agreement, or any other rights thereto other than to use the same in accordance with the license granted, and subject to all terms, conditions and restrictions, under this Agreement. (c) When the End User is an instrumentality of the U.S., recourse against the United States for any alleged breach of this Agreement must be brought as a dispute under the contract Disputes Clause (Contract Disputes Act). During any dispute under the Disputes Clause, Licensor shall proceed diligently with performance of this Agreement, pending final resolution of any request for relief, claim, appeal, or action arising under the Agreement, and comply with any decision of the Contracting Officer.

(d) Reserved.

(e) Upon expiration or earlier termination of this Agreement, the license granted hereunder shall also terminate, and Licensee shall (i) cease using and destroy all copies of the Software and Documentation (except for copies retained for archival purposes in accordance with Licensee’s retention practices); and (ii) deliver to Licensor written certification of the same. No expiration or termination shall affect Licensee’s obligation to pay all undisputed License Fees that may have become due before such expiration or termination, or entitle Licensee to any refund, in each case except as set forth in Section 11.

8. Limited Warranties, Exclusive Remedy and Disclaimer/Warranty Disclaimer.

(a) Limited Performance Warranty. NOTWITHSTANDING THE FOREGOING, IF LICENSOR'S INDEMNIFICATION OBLIGATIONS ARE CONSIDERED CONSEQUENTIAL DAMAGES, THIS SECTION 9(a) SHALL NOT BAR OR LIMIT ANY INDEMNIFICATION CLAIM UNDER SECTION 11. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO (1) PERSONAL INJURY OR DEATH RESULTING FROM LICENSOR'S NEGLIGENCE; (2) FOR FRAUD; OR (3) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW.

The foregoing indemnification obligation shall survive expiration or termination of this Agreement. Nothing contained herein shall be construed in derogation of the U.S. Department of Justice's right to defend any claim or action brought against the U.S., pursuant to its jurisdictional statute 28 U.S.C. §516.

In addition to the foregoing indemnification obligations, if an infringement claim for which Licensee is entitled to be indemnified under this Section 11 has occurred, or in Licensor's opinion is likely to occur, Licensor shall, at Licensor's expense, do one of the following: **(a)** procure for Licensee the right to continue using the Software; **(b)** replace with non-infringing alternates or modify the Software so that it becomes non-infringing but its functionality, quality, and utility after modification is substantially equivalent; or **(c)** upon Licensee's cessation of use of the Software, refund to Licensee any prepaid fees applicable to the period after cessation. 13. Verification Right. As detailed herein, Licensee authorizes Licensor to verify that Licensee's use of the Software does not exceed its permitted or licensed use as detailed in this Agreement and the applicable Order Form. Accordingly, not more than once every six (6) months during the applicable License Term, Licensee shall self-report to Licensor its license utilization for the preceding six month period. Furthermore, not more than once every six (6) months during the applicable License Term, Licensor may deliver written notice to Licensee requesting that Licensee assist Licensor with a verification session (which may include a web meeting between Licensee and Licensor, but which will not require Licensee to grant Licensor access to any Licensee-controlled computer systems.). Licensee shall have seven (7) business days after receipt of Licensor's notice to arrange for such verification session. If the verification process determines that Licensee's use of the Software exceeded the authorized usage, Licensee shall pay to Licensor all amounts due for such excess use, plus interest in accordance with the Prompt Payment Act (31 USC 3901 et seq) and Treasury regulations at 5 CFR 1315.

14. Miscellaneous.

- (b)** In accordance with FAR Clause 52.212-4(f), either party will be responsible or liable to the other, or deemed in default or breach hereunder by reason of any failure or delay in the performance of its obligations hereunder where such failure or delay is due to strikes, labor disputes, civil

disturbances, riot, rebellion, invasion, epidemic, hostilities, war, terrorist attack, embargo, natural disaster, acts of God, flood, fire, sabotage, fluctuations or non-availability of electrical power, heat, light, air conditioning or equipment, loss and destruction of property or any other circumstances or causes beyond a party's reasonable control.

Such communications must be sent to the respective parties at the addresses set forth in the introduction to this Agreement (or to such other address as may be designated by a party from time to time in accordance with this Section 13(c)).

(d) Neither party shall assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement without the other party's prior written consent, and such consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, either party may assign this Agreement to the other party to any entity acquiring substantially all of the assigning party's assets or an entity that is a surviving entity as a result of a merger or other change of control in accordance with the provisions set forth at FAR 42.1204.

(e) This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer on any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

(f) This Agreement may only be amended, modified or supplemented by an agreement in writing signed by each party hereto. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

(g) If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.
