

ZEROFOX, INC.
MASTER CUSTOMER AGREEMENT

This Master Customer Agreement (this “**Agreement**”) is between ZeroFox, Inc., a Delaware (USA) corporation (“**ZeroFox**”) with its primary offices located at 1834 S. Charles Street, Baltimore, MD 21230 and _____ with its primary offices located at _____ (“**you**” or the “**Customer**”). Capitalized terms not otherwise defined in the text of this Agreement will have the meanings assigned to them in Exhibit A (Definitions).

1. Use of Platform. This Agreement sets forth the terms pursuant to which Customer (and, subject to Section 4, its Customer’s Affiliates) may purchase, and ZeroFox will provide to Customer, a right to access and use on a subscription basis ZeroFox’s proprietary cloud-based software-as-a service security solution hosted on one or more websites designated by ZeroFox (the “**Platform**”). Subject to Customer’s payment of all applicable fees, ZeroFox grants Customer a limited, non-transferable, and non-exclusive right to access and use the Platform. Such use is subject to Service Parameters set forth in the Order which may include pricing tiers and other usage-based options you purchase, and you may only use the Platform during the Subscription Term (collectively, the “**Platform Subscription**”). Subject to Section 4 below, the Platform may be used only by Customer’s employees or contractors who are acting on Customer’s behalf in the internal operation of Customer’s business.

2. Platform Support. ZeroFox will provide Customer with OnWatch technical support regarding use of the Platform at the plan level purchased by Customer in the applicable Order (“**Technical Support**”). Customer agrees to provide ZeroFox with reasonable information and assistance to facilitate the provision of Technical Support. Additional support terms can be found in Exhibit B. These terms may be amended from time to time, however, ZeroFox hereby agrees that any such modification will not materially alter the nature of ZeroFox’s Technical Support commitments.

3. Professional Services. You may also separately purchase Professional Services as part of your use of the Platform or on a stand-alone basis. The Professional Services may be subject to additional terms and conditions to be set forth in a separately executed statement of work (“**SOW**”), if applicable. ZeroFOX will be under no obligation to perform Professional Services until an Order or SOW in relation thereto, as applicable, has been accepted by ZeroFox. If the Professional Services involve the delivery of any work product, developments, inventions, technology, or materials (collectively, “**Deliverables**”) except to the extent that such Deliverables include Customer-owned intellectual property, ZeroFox retains ownership of all Deliverables, including all Intellectual Property Rights therein.

4. Authorized Partner Transaction. Customer may purchase a Platform Subscription or obtain Professional Services pursuant to an Order or SOW submitted to ZeroFox by an Authorized Partner on Customer’s behalf. If Customer has purchased a Platform Subscription or Professional Services through an Authorized Partner, then (a) the payment obligations related thereto will be between Customer and the Authorized Partner and not ZeroFox, and (b) Customer will have no direct payment obligations to ZeroFox and Sections 18 and 19 of this Agreement will not be applicable with respect to such Order(s) or SOW(s); provided, however, that ZeroFox may terminate this Agreement (and all Orders and SOWs) in accordance with the Disputes Clause (Contract Disputes Act) if Customer breaches any of its payment obligations to Authorized Partner relating to this Agreement. Any terms agreed to between Customer and the Authorized Partner that are in addition to or inconsistent with this Agreement are solely between Customer and the Authorized Partner. No agreement between Customer and an Authorized Partner is binding on ZeroFox, nor will it have any force or effect with respect to the use of the Platform or ZeroFox’s provision of Professional Services.

5. Customer Content. As between the Parties, Customer owns all right, title, and interest in and to Customer Content, including all associated Intellectual Property Rights. Customer, on behalf of itself and its Affiliates and Authorized Users, hereby grants to ZeroFox a non-exclusive, royalty-free, right and license during the Order Term to use, reproduce, transmit, perform, display and store Customer Content solely for ZeroFox to fulfill ZeroFox’s obligations hereunder to provide the Platform Subscription and Professional Services. In performing its obligations hereunder, ZeroFox will employ appropriate security measures throughout the Order Term, taking into account the nature of the information, data and content processed, in accordance with applicable industry practice to protect Customer Content from accidental loss and from unauthorized access, use, alteration or disclosure. Without limiting the foregoing, ZeroFox will comply with all Applicable Laws including, but not limited to, those with respect to its use of Customer Content comprising Personal Information.

6. ZeroFox Content. As part of your use of the Platform and/or obtaining Professional Services, you will be provided with, or given access to, proprietary content and data that is created by ZeroFox or generated by the Platform which includes information such as suspicious URLs and domains, lists of malware, information about phishing campaigns, indicators of

compromise, data feeds, botnet information and other proprietary threat intelligence (collectively, **"ZeroFox Content"**). ZeroFox grants you a limited, non-exclusive, and non-transferable right during the Order Term to access and use the ZeroFox Content for your internal business purposes solely as part of your use of the Platform and receipt of Professional Services.

7. Source Platforms. The Platform Subscription and Professional Services support access to Source Content and may support integrations or connections with Source Platforms and to other third-party (or Customer) apps, sites, platforms, or material (collectively, but exclusive of any Customer Content therein, **"Outside Material"**). Customer acknowledges that ZeroFox does not endorse, is not responsible, and/or liable for the behavior, features, or content of any Outside Material. Outside Material may be subject to Intellectual Property, privacy, or publicity rights. Customer acknowledges that, while providing the Professional Services or accessing the Platform, ZeroFox may collect content that may be defamatory, obscene, abusive, contain Malicious Code, and/or otherwise be objectionable. ZeroFox does not warrant continuing compatibility and has no support obligations with respect to Source Platforms or Outside Material. To the extent Customer uses or visits a Source Platform or other Outside Material, it does so at its own risk and such visits and use is governed by the privacy notices, terms of use, policies and licenses of the Source Platform and other Outside Material (collectively, **"Outside ToS"**). Any changes to Source Platforms or other Outside Material, including their availability or unavailability, during the Order Term (**"Outside Changes"**) do not affect, modify, or otherwise amend Customer's obligations under this Agreement.

8. Takedown Requests. If Takedown Requests are requested by Customer, ZeroFox or its Affiliate, will initiate Takedown Requests with the applicable Source Platform. In such case, Customer grants to ZeroFox and its Affiliates for the Order Term a limited, revocable appointment to submit Takedown Requests on behalf of Customer (and its Authorized Users) and agrees to provide written authorizations upon ZeroFox's reasonable request that ZeroFox or its Affiliate can share with the third-party provider(s) to confirm ZeroFox's or its Affiliate's authority to submit such Takedown Requests. Customer acknowledges and agrees that ZeroFox does not and cannot control the processing of Takedown Requests by Source Platforms or other third-party providers. The Source Platform ultimately determines whether to process a Takedown Request in its sole discretion, thus ZeroFox does not guarantee success of any Takedown Request or provide legal advice with respect to whether a Source Platform will agree to process a Takedown Request.

9. Documentation. ZeroFox grants to you a limited, non-exclusive, non-transferable, and non-sublicensable right during the Subscription Term to reproduce copies of all then-current Documentation, solely to exercise the rights granted in this Agreement. No right is otherwise granted to distribute, publish, modify, adapt, translate, or create derivative works of the Documentation. You shall accurately reproduce all proprietary notices, including any copyright notices, trademark notices and confidentiality notices that are contained within any copies of the Documentation.

10. Evaluation Use. If ZeroFox grants you a right to use any part of the Platform on a trial, evaluation, beta, proof-of-concept, or other free-of-charge basis (**"Evaluation Use"**), then you may only use the Platform on a temporary basis for the period of time limited by ZeroFox as specified in the applicable Order. If there is no period identified by ZeroFox, such use is limited to ten (10) days. If you do not cease your Evaluation Use by the end of the trial period, ZeroFox will remove Your access. You acknowledge that during an Evaluation Use, the Platform (or portion thereof) may not have been subject to ZeroFox's usual testing and quality assurance processes and may contain bugs, errors, or other issues. Except where agreed to in writing by ZeroFox, your Evaluation Use will be implemented in special cloud-based instance specifically for evaluation purposes. The Evaluation Use is provided "AS-IS" without technical support or any express or implied warranty or indemnity for any problems or issues, and ZeroFox will not have any liability relating to your Evaluation Use.

11. Customer Responsibilities. You are responsible for procuring and operating all computer networks, software, and telecommunications services required to meet the minimum technical specifications necessary to access the Platform. Customer will: (a) be responsible for Authorized Users' compliance with this Agreement, Documentation, and applicable Orders and SOWs; (b) be responsible for the accuracy, quality and legality of Customer Content provided to ZeroFox; (c) be responsible for providing all notices to, and obtaining all consents and authorizations from, its employees, agents and contractors (**"Personnel"**) required under Applicable Law; (d) use the Platform only in accordance with this Agreement, applicable Documentation, Order, and Applicable Laws; (e) reasonably ensuring Customer Content includes no more Sensitive Information than is necessary; (f) use commercially reasonable efforts to prevent unauthorized access or use of the Platform; and (g) shall contact ZeroFox promptly if any logins are lost, stolen or compromised or Customer reasonably believes the Platform has been compromised.

12. Customer Restrictions. Customer shall not, directly or indirectly: (a) enable any person or entity other than Authorized Users to access and use the Platform; (b) sell, resell, license, sublicense, rent, lease or distribute any ZeroFox

Content or any derivative work thereof; (c) “frame” or “mirror” the Platform or any ZeroFox Content contained therein for the benefit of any third-party; (d) reverse engineer, disassemble or decompile all or any portion of, or attempt to discover or recreate the source code for, any software that is part of the Platform (except to the extent such restriction is limited under Applicable Law); (e) access or use the Platform, ZeroFox Content, or Documentation or Deliverables for purposes of competitive analysis or the development, provision or use of competing products or services; (f) remove, obscure or alter any proprietary notice related to the Platform or Professional Services; (g) use the Platform to send or store Malicious Code; or (h) use or permit others to use the Platform or Professional Services other than as described in this Agreement, or for any unlawful purpose.

In addition, you will not intentionally: (aa) interfere with other customers’ access to, or use of, the Platform; (bb) facilitate the attack or disruption of the Platform, including a denial of service attack, unauthorized access, penetration testing; (cc) intentionally cause an unusual spike or increase in your use of the Platform that negatively impacts the Platform’s operation; or (dd) submit any information to the Platform that is not contemplated in the applicable Documentation.

13. Investigation and Suspension. ZeroFox may, but has no obligation to, investigate potential violations regarding use of the Platform, and to monitor, restrict and remove any Customer Content, Outside Material or temporarily suspend services for as long as necessary to address the potential violation and ensure compliance with this Agreement. ZeroFox will notify Customer of any such suspension in advance, and work with Customer in good faith to resolve the potential violation.

14. Platform Maintenance. ZeroFox may enhance or refine the Platform from time to time, but when it does ZeroFox will not materially reduce the core functionality of the Platform. Such changes may be required to comply with law or Outside ToS. ZeroFox will also perform scheduled maintenance on the infrastructure of the Platform, during which time you may experience some disruption to the Platform. ZeroFox will provide you advance notice of such maintenance periods via the Platform; however, you acknowledge that ZeroFox may need to perform emergency maintenance without providing you advance notice, during which time ZeroFox may temporarily suspend your access to, and use of, the Platform.

15. Feedback and Analytics. If you provide ZeroFox with any suggestions, requested improvements or feedback regarding the Platform or Professional Services (collectively, “**Feedback**”), ZeroFox may use the Feedback for any purpose without acknowledgement or compensation; provided, however, Customer will not be identified publicly as the source of the Feedback. ZeroFox may also use information related to Customer’s use of the Platform (“**Analytics**”) to provide, evaluate, improve, and promote ZeroFox’s products and services, including to provide Authorized Users with insights and other reporting. Except where Analytics are used directly for Customer, ZeroFox shall de-identify Analytics with respect to any Personal Information and shall in no event attribute any Analytics to Customer (or any Authorized User) without Customer’s prior written consent.

16. ZeroFox Proprietary Rights. Exclusive of any Customer Content or Customer Confidential Information, ZeroFox is the sole and exclusive owner of all right, title and interest in and to the Platform (and underlying software), Documentation, Feedback, and all associated Intellectual Property Rights therein, as well as any and all know-how, processes, methods, specifications, inventions, user interfaces, libraries and other technology and materials of any kind that are used or provided by ZeroFox to Customer or an Authorized User in connection with the use of the Platform and provision of Professional Services. No title to or ownership of any associated Intellectual Property Rights is transferred under this Agreement to Customer and ZeroFox reserves all rights not otherwise expressly granted in this Agreement.

20. Confidential Information. As used in this Agreement, “**Confidential Information**” means any information disclosed by one Party, its Affiliates, or their respective employees, agents, or contractors (the “**Discloser**”) that is designated as confidential, either orally or in writing, or that, given the nature of the information or circumstances surrounding its disclosure, reasonably should be understood to be confidential. Confidential Information includes without limitation: (a) information relating to the Discloser’s or its Affiliates’ technology, customers, business plans, promotional and marketing activities, finances, and other business affairs; (b) third-party information that the Discloser is obligated to keep confidential; (c) Customer Content; and (d) the terms of this Agreement. Confidential Information does not include any information that: (i) was known to the Party that receives any Confidential Information (the “**Recipient**”) prior to receiving the same from the Discloser in connection with this Agreement; (ii) is independently developed by the Recipient without reference to or use of the Discloser’s

Confidential Information; (iii) is acquired by the Recipient from another source without restriction as to use or disclosure; or (iv) becomes publicly available through no fault or action of the Recipient.

21. Confidentiality and Non-Disclosure. Subject to the Freedom of Information Act (“FOIA”)(5 U.S.C. 552), each Party reserves any and all right, title, and interest, including any Intellectual Property Rights, that it may have in or to its Confidential Information that it may disclose to the other Party under this Agreement. The Recipient shall protect Confidential Information of the Discloser against any unauthorized use or disclosure to the same extent that the Recipient protects its own Confidential Information of a similar nature against unauthorized use or disclosure, but in no event shall use less than a reasonable standard of care to protect such Confidential Information. The Recipient shall use any Confidential Information of the Discloser solely for the purposes for which it is provided by the Discloser. This Section will not be interpreted or construed to prohibit: (a) any use or disclosure which is necessary or appropriate in connection with the Recipient’s performance of its obligations or exercise of its rights under this Agreement; (b) any use or disclosure required by Applicable Law, provided that the Recipient uses reasonable efforts to give the Discloser reasonable advance notice thereof to afford the Discloser an opportunity to intervene and seek an order or other appropriate relief for the protection of its Confidential Information; or (c) any use or disclosure made with the consent of the Discloser.

22. Mutual Warranties. Each Party represents and warrants that: (a) it has the legal authority to enter into this Agreement, to grant the rights granted by it under this Agreement and to perform its obligations under this Agreement; and (b) the execution of this Agreement by its representative whose signature is set forth at the end of this Agreement has been duly authorized by the Party.

23. Platform Warranty. ZeroFox warrants to Customer that, during the Subscription Term: (a) the Platform will perform and provide functionality substantially in accordance with the Documentation, and (b) any changes to the Platform pursuant to Section 15 or otherwise will not materially decrease the functionality of the Platform existing as of the effective date of the applicable Order. ZeroFox’s sole liability, and Customer’s sole and exclusive remedy, for any breach of the warranties under this Section 24 will be, in ZeroFox’s sole discretion and at no charge to Customer: (i) to use commercially reasonable efforts to correct the alleged defect or otherwise repair, replace or provide a workaround for the non-conformity, or if ZeroFox is unable to do so, (ii) to allow Customer to terminate the applicable Order(s), in which case ZeroFox will issue a Pro-Rated Refund. The warranties under this Section 24 do not extend to the following (collectively, “**Warranty Exceptions**”): Outside Changes, Force Majeure Events (as discussed in Section 37), or any use of the Platform other than in accordance with this Agreement and the applicable Documentation, Outside ToS and Order.

24. Support and Professional Services Warranty. ZeroFox warrants to Customer that ZeroFox will perform all Technical Support and Professional Services in a professional and workmanlike manner in accordance with generally recognized industry standards for similar services. ZeroFox’s sole liability, and Customer’s sole and exclusive remedy, for any breach of the warranties under this Section 25 will be, in ZeroFox’s sole discretion, and at no charge to Customer, to re-perform the non-conforming Technical Support or Professional Services, as applicable, provided Customer notifies ZeroFox in writing of any alleged non-conformity within twenty (20) days of delivery of the Technical Support or Professional Services, as applicable.

25. General Disclaimers. EXCEPT AS EXPRESSLY PROVIDED IN THIS AGREEMENT, NEITHER PARTY MAKES ANY WARRANTY OR GUARANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, AND EACH PARTY SPECIFICALLY DISCLAIMS ALL WARRANTIES, WHETHER IMPLIED, EXPRESS, OR STATUTORY, INCLUDING ANY IMPLIED WARRANTY OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE OR TRADE PRACTICE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

26. Service Disclaimers. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN SECTION 24 AND 25, PLATFORM USE, TECHNICAL SUPPORT AND PROFESSIONAL SERVICES ARE PROVIDED “AS IS.” ZEROFOX MAKES NO WARRANTY OF ANY KIND THAT THE PLATFORM, ANY TECHNICAL SUPPORT OR PROFESSIONAL SERVICES, DOCUMENTATION, OR RESULTS OF THE USE THEREOF, WILL: (a) MEET CUSTOMER’S OR ANY OTHER PERSON’S REQUIREMENTS; (b) OPERATE WITHOUT INTERRUPTION; (c) ACHIEVE ANY INTENDED RESULT, (d) BE COMPATIBLE, WORK WITH OR CONTINUE TO WORK WITH OUTSIDE MATERIAL; OR (e) BE ERROR FREE. ZEROFOX ASSUMES NO LIABILITY OR RESPONSIBILITY FOR PERSONAL INJURY OR PROPERTY DAMAGE RESULTING FROM USE OF THE PROFESSIONAL SERVICES.

27. Term; Survival. Unless terminated early in accordance with Section 24 or 29, the term of this Agreement will continue through the expiration or earlier termination of the last Order or SOW then in effect. The provisions set forth in the following Sections, and any other right or obligation of the Parties in this Agreement that, by its nature, should survive termination or

expiration of this Agreement, will survive any expiration or termination of this Agreement: 13, 16, 17, 21, 22, 26, 27, 31, 34, and 43.

28. Early Termination. When the End User is an instrumentality of the U.S., recourse against the United States for any alleged breach of this Agreement must be brought as a dispute under the contract Disputes Clause (Contract Disputes Act). During any dispute under the Disputes Clause, ZeroFox shall proceed diligently with performance of this Agreement, pending final resolution of any request for relief, claim, appeal, or action arising under the Agreement, and comply with any decision of the Contracting Officer.

29. Effect of Termination. Upon expiration or earlier termination of an Order or SOW: (a) subject to Section 31, all rights granted to Customer under such Order or SOW, as applicable, will terminate effective as of the effective date of termination; (b) subject to Section 31, ZeroFox will have no obligation to provide services or Platform access to Customer or Authorized Users after the effective date of the termination; and (c) Customer will pay to ZeroFox any amounts payable for Customer's and any Authorized User's use of the Platform or receipt of Professional Services through the effective date of the termination, together with all other amounts in accordance with the Order, SOW and Section 18.

30. Post-Order Termination Data Export and Deletion. Following Customer's request made no later than thirty (30) days from the effective date of termination of Customer's use of the Platform, ZeroFox will make available to Customer an export in CSV or other mutually agreed file format of Source Content collected through Customer's use of the Platform and Customer Content that, in each case, was accessible to Authorized Users through the Platform Subscription immediately prior to termination ("**Accessible Data**"). Following such 30-day period, ZeroFox shall have the right to delete all Accessible Data from the Platform and otherwise in accordance with ZeroFox's deletion policies and procedures and Customer expressly consents to such deletion.

31. Indemnification by ZeroFox. Subject to Section 33, ZeroFox agrees to defend, indemnify and hold harmless Customer, its Affiliates who have placed an Order or SOW hereunder and their Personnel (collectively, "**Customer Indemnitees**"), from and against any and all claims, damages, obligations, losses, liabilities, costs and expenses (including without limitation reasonable attorneys' fees) (collectively, "**Losses**") arising out of or related to any claim, suit, action or proceeding (each, "**Action**") initiated by a third party alleging that use of the Platform in accordance with this Agreement and the Documentation, infringes or misappropriates such third party's Intellectual Property Rights (each, a "**Customer Infringement Claim**"). If use of the Platform becomes, or in ZeroFox's reasonable opinion is likely to become, the subject of a Customer Infringement Claim, then ZeroFox may in its discretion and at its own expense: (a) obtain for Customer the right to continue using the Platform; (b) modify the Platform so that it no longer infringes or misappropriates; or (c) terminate this Agreement and all Orders related to use of the Platform and issue a Pro-Rated Refund. ZeroFox will have no liability for any Customer Infringement Claim to the extent it arises from: (i) Customer's breach of this Agreement; (ii) Customer Content, Source Content, or other Outside Material; (iii) ZeroFox's compliance with an Authorized User's or Customer's instructions; or (iv) continued use of the Platform after ZeroFox notifies Customer to discontinue use due to a Customer Infringement Claim. Nothing contained herein shall be construed in derogation of the U.S. Department of Justice's right to defend any claim or action brought against the U.S., pursuant to its jurisdictional statute 28 U.S.C. §516.

32. Indemnification Procedure. A Customer Indemnitee seeking indemnification shall promptly notify ZeroFox, in writing of any Action for which it seeks indemnification and allow ZeroFox to cooperate in the defense and investigation of such Action and ZeroFox shall employ counsel of its choice to handle and defend the same, at ZeroFox's expense. The Parties shall not settle an Action without written consent of each Party.

33. Limitations of Liability. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EXCEPT AS OTHERWISE PROVIDED IN THIS SECTION 34: (a) IN NO EVENT SHALL EITHER PARTY, ITS AFFILIATES OR THEIR EMPLOYEES, AGENTS, CONTRACTORS, OFFICERS OR DIRECTORS BE LIABLE FOR ANY INDIRECT, PUNITIVE, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION DAMAGES FOR BUSINESS INTERRUPTION, LOSS OF PROFITS, GOODWILL, USE, DATA OR OTHER INTANGIBLE LOSSES ARISING OUT OF OR RELATING TO THIS AGREEMENT; AND (b) IN NO EVENT SHALL EITHER PARTY'S CUMULATIVE AND AGGREGATE LIABILITY UNDER THIS AGREEMENT EXCEED THE FEES PAID TO ZEROFOX BY CUSTOMER OR AUTHORIZED PARTNER, AS APPLICABLE, UNDER THE APPLICABLE ORDER(S) OR SOW(S), INCLUDING PRIOR ORDERS AND SOWs FOR THE SAME SERVICES, IN THE 12 MONTHS PRECEDING THE EVENT GIVING RISE TO THE LIABILITY (THE "**CAP**"). THE EXCLUSIONS AND LIMITATIONS IN THIS SECTION, INCLUDING THE CAP (COLLECTIVELY, THE "**EXCLUSIONS**"), APPLY WHETHER THE ALLEGED LIABILITY IS BASED ON CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY OR ANY OTHER BASIS, EVEN IF THE NON-BREACHING PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. THE EXCLUSIONS SHALL NOT APPLY

TO ZEROFOX'S INDEMNIFICATION OBLIGATIONS UNDER SECTION 32, CUSTOMER'S BREACH OF SECTION 13 OR CUSTOMER'S PAYMENT OBLIGATIONS TO ZEROFOX OR AUTHORIZED PARTNER, AS APPLICABLE.

34. Ordinary Course Providers and Affiliates. ZeroFox's Platform is a cloud based on-demand service that currently uses commercial hosting services provided by Amazon Web Services, LLC ("**AWS**") and other third-party service providers to assist ZeroFox in providing the Platform to the Customer, and not specifically for just the Customer (collectively, "**Ordinary Course Providers**"). ZeroFox will engage, use, and substitute Ordinary Course Providers and Affiliates as it deems appropriate, but shall remain responsible to Customer for its access to the Platform and the actions and omissions of its Ordinary Course Providers and Affiliates undertaken in connection with this Agreement. For the purposes of this Agreement, providers of Source Platforms and other Outside Material shall not be deemed Ordinary Course Providers.

35. Publicity. Neither Party shall issue or release any announcement, statement, press release or other publicity or marketing materials relating to this Agreement or, unless expressly permitted under this Agreement, otherwise use the other Party's marks or logos without the prior written consent of the other Party.

36. Force Majeure. Excusable delays shall be governed by GSAR 552.212-4(f).

37. Independent Parties; No Third-Party Beneficiaries. The Parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement shall constitute one Party as an employee, agent, joint venture partner or servant of another. This Agreement is for the sole benefit of the Parties hereto and their respective successors and permitted assigns and nothing herein, express, or implied, is intended to or shall confer on any other person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

38. Assignment. Subject to the foregoing, neither Party may assign this Agreement, whether by operation of law or otherwise, without the other Party's prior written consent, and any purported assignment in violation of this Section is void. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective permitted successors and assigns.

39. Anti-Corruption and Export Compliance. Each Party shall, in connection with this Agreement: (a) comply with Applicable Laws relating to anti-bribery and anti-corruption, which may include the US Foreign Corrupt Practices Act of 1977 and the UK Bribery Act 2010; (b) comply with Applicable Laws administered by the U.S. Commerce Bureau of Industry and Security, U.S. Treasury Office of Foreign Assets Control or other governmental entity imposing export controls and trade sanctions ("**Export Laws**"), including designating countries, entities and persons in which it would be unlawful to transact business ("**Sanctions Targets**"); and (c) not directly or indirectly export, re-export or otherwise provide access to the Platform to a Sanctions Target, or broker, finance or otherwise facilitate any transaction in violation of any Export Laws. Customer represents that it is not a Sanctions Target or prohibited from receiving services pursuant to this Agreement under Applicable Laws, including Export Laws.

40. U.S. Government Customers. The access to the Platform, Professional Services, Documentation and Deliverables are provided to the U.S. Government as "commercial items," "commercial computer software," "commercial computer software documentation," and "technical data" with the same rights and restrictions generally applicable to services, information, and those materials. If Customer or any Authorized User is using the Platform or Professional Services on behalf of the U.S. Government and these terms fail to meet the U.S. Government's needs or are inconsistent in any respect with federal law, Customer and Customer's Authorized Users must immediately discontinue such use. The terms listed above are defined in the Federal Acquisition Regulation and the Defense Federal Acquisition Regulation Supplement.

41. Governing Law; Venue. The parties agree that both the United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transaction Act ("**UCITA**") are specifically excluded from application to this Agreement. Issues arising under this Agreement are governed by United States Federal law.

42. Miscellaneous. This Agreement, together with all Orders, and SOWs, is the complete and exclusive statement of the agreement between the Parties and supersedes all proposals, RFPs, RFIs, questionnaires and other communications and agreements between the Parties (oral or written) relating to the subject matter of this Agreement. Any terms and conditions of any other instrument issued by Customer in connection with this Agreement which are in addition to, inconsistent with or different from the terms and conditions of this Agreement shall be of no force or effect. Additionally, this Agreement supersedes: (a) any on-line click-through agreement accepted in connection with accessing the Platform, and (b) any confidentiality, non-disclosure, evaluation or trial agreement previously entered into by the Parties with respect Customer's or

an Affiliate's evaluation of the Platform or otherwise with respect to any other services. This Agreement may be modified only by a written instrument duly executed by authorized representatives of the Parties. The failure of a Party to exercise or enforce any condition, term or provision of this Agreement will not operate as a waiver of such condition, term, or provision. Any waiver by either Party of any condition, term or provision of this Agreement shall not be construed as a waiver of any other condition, term or provision. If any provision of this Agreement is held invalid or unenforceable, the remainder of the Agreement shall continue in full force and effect. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement. For purposes of this Agreement, the words "include," "includes" and "including" are deemed to be followed by the words "without limitation"; the word "or" is not exclusive; and the words "herein," "hereof," "hereby," "hereto" and "hereunder" refer to this Agreement as a whole.

43. Notices. Notices required or permitted to be given under this Agreement shall be in writing and shall be deemed to be sufficiently given: (a) one (1) business day after being sent by overnight courier to the mailing address set forth in this Agreement (or the Order or SOW, if different); (b) three (3) business days after being sent by registered mail, return receipt requested to the mailing address set forth in this Agreement (or the Order or SOW, if different); or (c) one (1) business day after being sent by email to the email address of Customer's customary point of contact (provided that (i) the sender does not receive a response that the message could not be delivered or an out-of-office reply and (ii) any notice for an indemnifiable Action must be sent by courier or mail pursuant to clause (a) or (b)). Either Party may change its address(es) for notice by providing notice to the other in accordance with this Section.

44. Counterparts. This Agreement and any Order may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement or any Order or SOW by fax or by email of a scanned copy, or execution and delivery through an electronic signature service (such as DocuSign), shall be effective as delivery of an original executed counterpart of this Agreement or the relevant Order.

45. Effectiveness; Date. This Agreement will become effective when all Parties have signed it; the date of this Agreement will be the date this Agreement is signed by the last Party to sign it.
